VOLUNTEERS

Our club runs on volunteers, we have no employees so it's the only way things get done. Every May (1st Saturday) we have a workday where we clean up and get the club ready for the activities that come with nice weather. Please come out and help. There are many opportunities to volunteer from cooking and cleaning up in the kitchen or for a barbeque or Sunday breakfast to helping sell tickets, working on the newsletter, or keeping this web site up to date. It's also a great way to get to know the members.

We are always looking for new members; members are our life blood and reason the Club exists. Don't be shy, you are welcome here. We think the best way to join is to come to the club, get a tour to see what it looks like and meet some members. You are most likely to find people at the club during the skeet shoots on Sunday mornings and Wednesday afternoon and evening. You can also contact the chairperson of the activity you are most interested in or call/text/email the club's secretary.
