THANK YOU VOLUNTEERS

Our club runs on volunteers, we have no employees so it's the only way things get done.
Every May (1st Saturday) we have a workday where we clean up and get the club ready for
the activities that come with nice weather. Please come out and help. There are many
opportunities to volunteer from cooking and cleaning up in the kitchen or for a barbeque or
Sunday breakfast to helping sell tickets, working on the newsletter, or keeping this web site
up to date. It's also a great way to get to know the members.

Thank you, Rick and Josh for
cleaning up the downed tree!

Special Shoutout

Thank you, Mike, for well need ground
maintenance and bridge repair!

Thank you, Randee, for repairing
our lighting!

Thank you, Art, for helping to keep us safe by advocating
for and placing Stop-the-Bleed and First Aid kits!

Thank you to our Sunday
breakfast crews!
